The City of Rochester and Rochester Economic Development Corporation (REDCO) welcomes the opportunity to review your request for financial assistance. Promoting business growth is a priority for the City. Your business is important to us as we work together to create jobs in our community.

In order for the City of Rochester to process your request in a timely manner, it is important that the applicant provide all the necessary information found on the financial assistance and/or small business grant application(s). Incomplete applications cannot be considered for review. Any delays in receiving needed information or documentation during application processing or underwriting will result in delays in approval, contracting and closing. Following the submission of a completed application, additional questions may be asked during the underwriting review process. It is the applicant's responsibility to provide answers and additional documentation as requested by the City/REDCO throughout the underwriting and review process. Failure to provide the information requested on a timely basis will delay the review process and ultimately not allow the City/REDCO to make a decision on potential assistance. Once all information has been provided and a complete application has been submitted, you will be notified in writing that your application is under review.

# The review process will not take place until a completed application has been received and the applicant has been notified in writing.

By signing this form, you are agreeing and understand that your request for financial assistance will not be considered until all required documentation is received by the City/REDCO, and that delays in providing this information on a timely basis will not only delay the review process but may result in your request for financial assistance being declined.

Acceptance of a completed application does not represent a commitment of funds.

By signing below, the applicant is confirming that the statements made in this application are accurate and correct and are in agreement to provide the required information to complete the necessary review and approval processes. Without providing the required information on a timely basis, the applicant understands the City of Rochester and/or REDCO are unable to proceed with their financial assistance request and could result in delays in the process and ultimately the inability to provide assistance. ## City of Rochester Disclosure

The Program for which you are applying may be part of one or more City of Rochester (hereinafter the "City"), federal, state, or other programs, including, but not limited to, the Community Development Block Grant (CDBG) Program, Emergency Solutions Grant (ESG) Program, HOME Investment Partnerships (HOME) Program, Housing Opportunities with Persons with AIDS (HOPWA) Program, Asset Control Area (ACA) Program, Rochester Economic Development Corporation (REDCO) or City Development Fund (CDF). Each of these programs has rules and regulations prohibiting conflicts of interest. Conflicts generally arise where the applicant or his or her family or business may have an economic or employment interest in the program or the entity providing the program.

Program regulations generally limit the participation of employees, agents, consultants, officers, or elected or appointed officials of the City or any designated public agencies, or sub-recipients receiving Program funds, and those with whom they have business or immediate family ties, during their tenure or for one year thereafter. For federally assisted housing and community development programs, this applies unless an exception is granted by the **U.S. Department of Housing and Urban Development (HUD)**. In order for HUD to grant an exception to such persons there must be a public disclosure of the application and the City's Corporation Counsel must determine that the participation does not violate state or local law.

The objective of this form is to identify applicants that may have a conflict under the rules and regulations. The City will then determine whether an exception should be granted or requested. The City's Department of Neighborhood and Business Development, Office of the Commissioner, is responsible for conflict of interest determinations and the coordination of the exception process for federally assisted housing and community development programs.
